CONFIRM THE EVENT & CHECK FOR NEW SHOOTS

The list of shooting events will change periodically and some shoots will be cancelled, so the member clubs strongly recommend that you visit the web site to confirm the date for the shooting event you want to attend or call the contact. We also add shoots based on information we receive throughout the year. Changes to any scheduled shoot will normally also be discussed on the News page of the web site.

THANKS FOR YOUR SUPPORT

The member clubs would like to thank you for the continued support of this project. This list was started as a paper copy only, with no good way to update or change it during the year, and has grown to the point where it is now more dynamic than ever. The positive comments of the shooters who use this resource are appreciated. We would also appreciate constructive suggestions about the format of the list and the web site, information presented, and changes you would like us to consider. Go to the web site and send an e-mail to the webmaster with any suggestions.
