**50 Target Lewis Shoot 25 @16 and 25 @23 yardline**

**Public Invited**

**As some of you may know in December 2020 Tim Culligan was diagnosed with stage 4 prostate cancer. Tim has been a huge role model to many people, both young and old. He has always been willing to mentor kids and take them hunting! Tim proudly served our country with the US Air Force from 1986-1996. He then went on to serve our local community for 22 years with the Two Rivers Police Department. Let's all get together to show Tim he is not fighting alone!**

**All proceeds will help the Culligans with medical expenses and anything else they may need. As a retired police officer that has helped the community so much, let's all pay it back as a community to help him!**
