

Shoot for a Cause 2021

Presented by

This year the Hartford Conservation and Gun Club will be having a fundraiser, called *Shoot for a Cause* to raise money for our youth organizations including the youth trap team and the new for 2021 youth archery team. We will also be raising money for projects and much needed maintenance around the club. A few of our projects include a new parking lot and new roof on the pistol range.

Going forward, we are looking to use *Shoot for a Cause* as a fundraiser for local Washington County charities. Starting in November we will have an application process for local charities to become involved and be the beneficiary of this event. If you are a member of an organization that is looking to boost fundraising, please look on the club's website for the application process in November. Our criteria for an organization are:

- must be a local organization,
- preferably a 501c3,
- has enough volunteers to work the event, and
- aligns with the culture of Hartford Conservation and Gun Club.

Shoot for a Cause information:

Saturday August 28th,

8:00am-10:00pm

at HCGC

This year's event highlights

- 50 bird American trap, 5-person team event with Lewis Class, Rose, 25s & 50s options. We will also have the Green Bird Raffle and Black Bird beverage options.
- Family friendly activities including a catered lunch, a dunk tank, and a special event just for kids
- A live band after the shooting event
- Many raffles to include gun boards, archery board, 50/50 raffle, meat raffles and much more

This year's band is The Wing Men! They will be playing from 7:00pm-10:00pm
